On behalf of IDTM•bSHK, I am pleased to inform you that IDTM•bSHK is organising The 9th International BIM Awards in 2024. We sincerely invite [REDACTED] to be one of the supporting organisations of the event.

The International BIM Awards aims to promote BIM and recognise extraordinary achievements in BIM implementations worldwide. In the previous years, over 3,800 applications were received worldwide, such as China, Japan, Korea, Singapore, United Kingdom, United States, Australia, Norway, etc. About 450 awards were presented to various organisations, for instance the Hong Kong Housing Authority, the Architectural Services Department, the Water Services Department, the CLP Power Hong Kong Ltd., the Ministry of Health, Singapore, Dalian Wanda Group, Henderson China Holdings Ltd., Balfour Beatty, China Construction First Building (Group) Corporation Ltd., China Construction Third Engineering Bureau Co., Ltd., etc.

This year, the conference and Awards Presentation Ceremony will be held in the afternoon to provide an opportunity for construction practitioners to link up and exchange ideas. We will invite some overseas guest speakers and professionals to share their experience about the worldwide trend of big data and AI derived from BIM.

Details of conference and the awards presentation ceremony are as follows:

Date: 13 December 2024

Venue: HongKong West Kowloon Cultural District Xiqu Centre

Your support as a supporting organisation would certainly be invaluable to the continued success of this event, there will be no financial commitments involved.
